Announcements

## Solicitation Information

**All potential offerors, plan rooms and printing companies must register in [CCR](#) and [FedBizOpps](#) in order to view or download solicitations from [FedBizOpps](#). Solicitations will be listed on the [Army Single Face to Industry \(ASFI\)](#) and [FedBizOpps](#) with links to the solicitation documents and other technical data.**

**Upcoming Projects (including Presolicitation Notices, Solicitation Notices, Modification Notices, Tech Data Packages, etc.)**

FedBizOpps has listings of projects which are going to be advertised -- go to <https://www.fbo.gov/index?s=opportunity&mode=list&tab=list> for the latest listings. You can put "Engineer District, Seattle" in the "Keywords/SOL #:" box to get to Seattle District listings only. Putting "W912DW" in the QuickSearch box also seems to provide a listing of open actions ([https://www.fbo.gov/index?s=opportunity&tab=list&mode=list&qsc=procurement\\_notice&qs=W912DW&cck=1&au=&ck](https://www.fbo.gov/index?s=opportunity&tab=list&mode=list&qsc=procurement_notice&qs=W912DW&cck=1&au=&ck))

**Downloading a solicitation at FedBizOpps does not automatically get you notifications of updates for public solicitations.** To get automatic notifications of updates to this solicitation, you MUST be logged in and click the "Add to Watchlist" button in the listing for this solicitation on FedBizOpps. If you want to list your firm so others can see you are an interested vendor, you must click the "Add me to Interested Vendors List" button in the listing for this solicitation on FedBizOpps and fill in your information; you can show Prime/Sub/Supplier in one of the address or POC lines. You can register for as many solicitations as you wish. If you want both notifications and being listed as an interested vendor, you must do both.

**Problems downloading?** Your browser may be blocking file downloads. You may want to add <https://www.fbo.gov/> to the "Trusted Sites" for your browser or remember to check for security alerts (usually at the top of your browser screen).

### Currently Available Solicitations

A listing of Seattle District solicitations currently available for downloading is available from ASFI site at [https://acquisition.army.mil/asfi/sol\\_list.cfm?pContractOfcID=165](https://acquisition.army.mil/asfi/sol_list.cfm?pContractOfcID=165). Follow the "attachments" link at the bottom of the ASFI solicitation page to find the download information. *Solicitations appear for five days after the closing date or date solicitation was cancelled.*

### Bid Abstracts

[Abstracts for IFBs which have closed in the past 90 days](#)

### Award Notices

FedBizOpps has listings of awards -- see <https://www.fbo.gov/index?s=opportunity&mode=list&tab=list> for the latest listings. You can put "Engineer District, Seattle" in the "Keywords/SOL #:" box to get to Seattle District listings only, then click on the "Type" header for Awards to show on top. Notices are shown for 30 days after posting, then archived. There are also search capabilities from the "Advanced Search" link (you can find all award notices by clicking the "both" button for searching search active/archived/both records).

### Award Reports

The Federal Procurement Data System (FPDS) at [www.fpds.gov](http://www.fpds.gov) provides access to the public for seeing what the government purchased. Registration is free. Data for DoD agencies, including this office, is not visible for 90 days after the date of the award or contract action.

NWD Military Program Execution, FY2007 \_ FY2011 Acquisitions

Go to <http://www.nwd.usace.army.mil/ct/milcon.asp> for information on the Northwestern Regional Pre-Solicitation Meetings for Army Transformation.

Disaster Resource Management

In response to Hurricane Katrina, the Corps of Engineers has set up [Disaster Resource Management](#) information on their home page to facilitate the urgent distribution of information regarding resources required to respond to this disaster. This website will be dynamic in nature to meet the needs of the growing crisis. Please see <http://www.usace.army.mil/> for more information.

Seattle District Flood & Rehab Emergency Work

Go to the [Contractor Registration Site](#) to register rental equipment & materials for flood and rehab emergency work in Seattle District
